

Dear Employee(s),

The Covid-19 Vaccine is one of the best ways to protect against getting the virus, in addition to continuing to wash your hands frequently between Resident care, donning and doffing PPE using good technique and practicing social distancing.

If you have not received the vaccine yet, the good news is, it is not too late! Do your part, protect yourself, your family members, co-workers and our Residents.

Here are some ways to schedule the vaccine

- Check back frequently in [Vaccine Administration Management System \(VAMS\) \(cdc.gov\)](#) as more appointments will be added.
- In your search for a clinic in VAMS, try changing the Zip Code or increasing the miles.

There are also clinics who have *their own scheduling systems, outside of VAMS.*

- Visit: <https://portal.ct.gov/Coronavirus/COVID-19-Vaccination-Scheduling-Options> and scroll down to the bottom of the webpage and click the link 'click here to schedule' by the clinic.

Have more questions?

- Visit the [User Manual for VAMS recipients](#).
- Visit the [VAMS Support webpage](#) to find navigation tips and step by step instructions for VAMS
- Visit the [COVID-19 Vaccine Questions and Answers](#) page for all the latest information.
- You can also call the Connecticut Vaccine Appointment Assistance Line at:
 - 1-877-918-2224
 - Seven days a week 8AM-8PM
- Schedule your appointment through your Primary Care Physician
- United Way 211 or call 211 for information
- Norwalk has set up an email account to answer Resident's questions:
 - COVID19TaskForce@norwalkct.org

A monetary incentive is being offered to all employees once proof of completing the two injection series has been provided.

Questions or Concerns please do not hesitate to contact us at 203-847-5893 ext. 145
